#### What is Junior Team Tennis:

USTA Junior Team Tennis brings together boys and girls, ages 6 to 18, to play singles, doubles and mixed doubles against other coed teams. Beyond being fun and a great form of exercise, Junior Team Tennis is a competitive, level-based environment that promotes individual growth, social growth and life skills.

Nearly 100,000 kids nationwide play Junior Team Tennis annually, thanks to the parents who donate their time and talents. Please consider volunteering to be a court monitor or a team captain for our spring season!
