

## USTA SUMMER LEAGUES - DAY OF PLAY SCHEDULE

### Mixed Doubles (Co-Ed League) - plays 3 Doubles lines

A fun way for men and women to team up together. Team level combines the ratings of both the male and female partner. For example, on a 7.0 team, a 3.0 male player may play with a 4.0 female player. Partners may not be separated by more than 1.0 NTRP point (example: 8.0 team allows a 4.5 and 3.5 to play together, but a 5.0 and 3.0 may not play together). The combined levels of each doubles pair cannot exceed the team level.

### Tri-Level League - plays 3 Doubles Lines

A fun way to team up with friends who play at different NTRP levels. A team match consists of three doubles matches played at three different NTRP levels (for example 3.0,3.5,4.0). The same level teams will play against one another with the highest NTRP level playing line #1 and the lowest NTRP level playing line #3.

If there are two or more teams registered for AM, those teams will play their matches with one another in the morning (typically 10AM or 11:30AM depending on facility availability). They will play all other teams at 6PM. Teams signed up for 6PM will play ALL matches at 6PM.
